Shri Virendra Kaushik for the management.

AWARD

The workmen of M/s Dalmia Dadri Cement Ltd; Charkhi Dadri demanded production bonus at the rate of 20 percent for the year 1965 in addition to bonus under the payment of Bonus Act at the rate of 30 per cent. They also demanded free Medical Facilities. None of these demands were accepted by the management and this gave rise to an industrial dispute. Accordingly, the Governor of Haryana, in exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute to this Tribunal, for adjudication, — vide Government Gazette Notification No. 155-SF III-Lab-66/1952, dated 21st January, 1967.

- (i) Whether the workmen are entitled to the grant of profit bonus for the year 1965 at a rate higher than 4 percent bonus already declared by the management? If so, with what details?

- (ii) Whether the workmen are entitled to the grant of production bonus for the year 1965? If so, with what details?
- (iii) Whether the free medical facilities previously available to workmen which were discontinued after enforcement of the Employees State Insurance Act should be restored? If so, with what details and if not to what other relief, if any, the workmen are entitled?

On receipt of the reference usual notices were issued to the parties in response to which a statement of claim was filed on behalf of the workmen and the management filed their written statement. The parties have produced evidence in support of their respective contentions. It is however not necessary to decide the case on merits with regard to a subject matter of first two items of the dispute because a compromise has been arrived at between the parties. The deed of settlement duly signed by the parties have been filed and the statements of the representatives of the parties have been recorded in which the terms of settlement have been admitted. The management have agreed to pay bonus at the rate of 1 per cent in addition to bonus at the rate of 4 per cent which has already been paid by them for the year 1965. The representatives of the workmen have made a statement that they have satisfied themselves that they are not entitled to bonus at the rate higher than 5 per cent and the percentage of bonus allocated in the settlement includes both profit and production bonus. The terms of settlement therefore appear to be fair and reasonable. In accordance with the terms of compromise I hold that the workmen are entitled to bonus at the rate of 1½ per cent in addition to bonus at the rate of 4 per cent already paid to them. This disposes of items Nos. 1 and 2 of the order of reference. I give my interim award accordingly. No order as to cost.

A W A R D

An industrial dispute arose between the workmen and the management of M/s Shankar Machine Tools, Modern Industrial Area, Bahadurgarh, with regard to the supply of uniforms and this

dispute was referred for adjudication to this Tribunal,—*vide* Government Gazette Notification No. ID/RK/146-A-69/29465, dated 4th November, 1969. The item of dispute referred for adjudication is as under:—

“Whether the workmen should be supplied uniforms? If so, with what details and from which date?”

On receipt of the reference usual notices were issued to the parties in response to which a statement of claim was filed on behalf of the workmen and the management filed their written statement. The issues which arose from the pleadings of the parties were framed. It is, however, not necessary to decide the case on merits because a compromise has been arrived at between the parties under which the management have agreed to provide two summer uniforms in a year and one woollen uniform after every three years to the Chowkidar and the Peons as a gesture of goodwill. The remaining workmen have given up the demand for uniform because the financial position of the concern is not satisfactory. The compromise appears to be reasonable and fair and I give my award as per terms of compromise. No order as to cost.

AWARD

The workmen of M/s G. Rajindra Machine Tools, Bahadurgarh, claimed bonus at the rate of 20% of their wages for the year 1968-69. This demand of the workmen was not accepted by the management and this gave rise to an industrial dispute. Accordingly the Governor of Haryana, in exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute to this Tribunal, for adjudication, — *vide* Government Gazette Notification No. ID/RK/42-C-70/17558, dated 12th June, 1970:—

“Whether the workers of the factory should be paid bonus for the year 1968-69. If so, what should be quantum of bonus and terms and conditions of its payment?”

On receipt of the reference usual notices were issued to the parties. However it is not necessary to decide the case on merits because a compromise has been affected between the parties. The deed of settlement duly signed by the parties has been filed and the statements of the representatives

of the parties have been recorded in which the terms of settlement have been duly admitted. According to the terms of settlement the management have agreed to pay *ex-gratia* bonus to their workmen at the rate of 7 per cent of their wages for the year 1968-69. I give my award as per terms of compromise.
